I don't wanna change you  
I don't wanna change you  
Baby I don't wanna change you  
(You and Ay) I don't wanna change you  
Baby I don't wanna change you  
(You and Ay) I don't wanna change you  
Baby I don't wanna change you  
(You and Ay) I don't wanna change you  
I don't wanna change you  
(You and Ay) I don't wanna change you  
I don't wanna change you  
I don't wanna change you

[Verse 1:]

Some people say (say)  
I shouldn't be (be)  
Be with you 'cause you don't deserve me  
They say that I (I)  
Should up and leave (leave)  
But they don't understand  
But baby with you  
Every single day is brand new  
And I ain't going nowhere  
I'm staying right here  
It's the right idea  
To ride from my baby

[Chorus:]

Ay always wanna be with you  
And I don't wanna change you  
Ay of every little thing you do  
And I don't wanna change you  
Ay don't ever wanna say goodbye  
And I don't wanna change you  
As long as you don't change your mind  
There will always be you and ay ay ay  
You and ay ay ay

[Verse 2:]

Girl you should know (know)  
I never mean (mean)

I know it's cliché the air I breathe  
They try to take (take)  
They try to suffocate  
But they don't understand  
But baby with you  
Every single day is brand new  
And I ain't going nowhere  
I'm staying right here  
It's the right idea  
To ride from my baby

[Chorus:]

Ay always wanna be with you  
And I don't wanna change you  
Ay of every little thing you do  
And I don't wanna change you  
Ay don't ever wanna say goodbye  
And I don't wanna change you  
As long as you don't change your mind  
There will always be you and ay ay ay  
You and ay ay ay

[Verse 3:]

You looking worry ma  
But don't you worry ma  
That thing we got is strong as a rock  
Lonely nights we've been through  
Fights we've been through  
So how you going think this time they going do it  
Nah they here unless they is here over the team [? ]  
Like you juicing up jean [? ]  
Like you rocking imeem [? ]  
Yeah they wanna do it do it  
Just like we do it do it  
But they can't do it do it  
The way we do it do it

[Chorus:]

Ay always wanna be with you  
And I don't wanna change you  
Ay no matter what you say no matter what you do  
And I don't wanna change you  
Ay don't ever wanna say goodbye  
And I don't wanna change you  
As long as you don't change your mind  
There will always be you and ay ay ay  
You and ay ay ay  
You and ay ay ay

As long as you don't change your mind  
There will always be you and ay ay ay

(You and me you know what I'm saying girl)

(You and ay ay ay) I don't wanna change you

I don't wanna change you

(Baby now you and ay ay ay) I don't wanna change you

I don't wanna change you

(Baby you and ay ay ay) I don't wanna change you

I don't wanna change you
