You're the one, the one I adore,  
The only one my life was put here for,  
Though people try to poison with lies,  
I see the truth when I look in your eyes,  
You're the one that I wanna grow  
old with  
The only one I want by my side  
And you're the one that I know I can  
grow with,  
That is why I gotta say...

*[Chorus]*

I don't wanna fall in love unless I'm  
loving you, unless I'm loving you,  
I don't wanna fall in love unless I'm  
loving you, unless I'm loving you,

Now it seems to me the angels above,  
Created you for me to love,  
And the way I feel it cant be denied, no  
Cos you know its true when you look in  
my eyes,  
I'm the one that you wanna grow  
old with  
The only one who's really by your side

And I'm the one that you know you can  
grow with,  
That is why you gotta say...

*[Chorus]*

If Im not loving you I don't want no one  
else, its true  
Baby id much rather be by myself,  
cos you  
You do something to me I cant  
describe, thats why  
Thats why I gotta say I... Thats why I  
gotta say I...

*[Chorus]*

I said I, I don't wanna fall in love  
(unless I'm loving you)  
don't wanna fall in love  
(unless I'm loving you,)  
I said I, I don't wanna fall in love  
(unless I'm loving you)  
don't wanna fall in love  
(unless I'm loving you,)  
I said I, I don't wanna fall in love  
(unless I'm loving you)  
don't wanna fall in love  
(unless I'm loving you,)
