Oh yeah,  
They tell me I'm a bad boy  
All the ladys look at me and act coy  
I just like to put my hands up in the air  
I want bad girl dancing over there

Look at her go on the dancefloor  
She's amazing on the dancefloor  
When she moves god I want more  
Keep it going girl, I got...  
You got me saying:

Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, go little bad girl

Oh yeah,  
They tell me I'm a bad boy  
All the ladys look at me and act coy  
I just like to put my hands up in the air  
I want bad girl dancing over there

Shaking her ass from the left to the right  
Moving it round just the way that I like  
I wanna see her move like a movie on flight  
She got it how I want it and I want it all night

Look at her go on the dancefloor  
She's amazing on the dancefloor  
When she moves god I want more  
Keep it going girl  
You got me saying

Go little bad girl, little bad girl

Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, go little bad girl

Go little bad girl, little bad girl  
Go little bad girl, little bad girl

Go little bad girl, little bad girl  
Go little bad girl, go little bad girl

Oh yeah,  
They tell me I'm a bad boy  
All the ladys look at me and act coy  
I just like to put my hands up in the air  
I want bad girl dancing over there

Shaking her ass from the left to the right  
Moving it round just the way that I like  
I wanna see her move like a movie on flight  
She got it how I want it and I want it all night

Look at her go on the dancefloor  
She's amazing on the dancefloor  
When she moves god I want more  
Keep it going girl  
You got me saying

Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, go little bad girl

Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, little bad girl  
Go little bad girl, go little bad girl
