I take you out and play  
When I come on strong  
I don't know what I am doing I think that I am doing it  
wrong  
But I won't stop  
No I won't quit

I keep on trying  
I don't know what I am doing I think that I am doing it  
wrong  
Cause I can be without you  
Then you know my eyes couldn't see without you  
I can't hardly even breathe without you  
,

Yeeeh  
I don't know what I am doing I think that I am doing it  
wrong  
I don't know what I am doing I think that I am doing it  
wrong  
I don't know what I am doing I think that I am doing it  
wrong  
Stop and hustle  
Call me a fool but I try and try  
I don't know what I am doing I think that I am doing it  
wrong  
See something that I can explain  
,

I don't know what I am doing I think that I am doing it  
wrong  
Cause I can be without you  
I couldn't see without you  
I can't hardly even breathe without you  
,

Yeeeh  
But I will be looking 'till the end  
Yeeh  
I don't know what I am doing I think that I am doing it  
wrong  
I don't know what I am doing I think that I am doing it  
wrong  
I don't know what I am doing I think that I am doing it

wrong  
I don't know what I am doing I thing that I am doing it  
wrong  
Stop and hustle  
I do everything I can  
Everything I can  
And you know what  
It's a little bit crazy cause  
I don't know what I am doing I thing that I am doing it  
wrong  
Baby  
Cause I can be without you  
Then you know my eyes couldn't see without you  
I can't hardly even breath without you  
No, no , no  
I will looking 'till the end  
Yeeh  
I don't know what I am doing I thing that I am doing it  
wrong  
I don't know what I am doing I thing that I am doing it  
wrong  
I don't know what I am doing I thing that I am doing it  
wrong  
Stop and hustle
