Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you
Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you
Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you
Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you

I've tried to fly
Like a rocket into the sky
But without you here by my side
I fall, I tried my best
To carry on but I must confess
That without you I'm just a mess
And I fall

Oh oh oh oh

Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you
Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you

I've tried to fly
Like a rocket into the sky
But without you here by my side
I fall, I tried my best
To carry on but I must confess
That without you I'm just a mess
And I fall

Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you
Oh oh I, I'm not even gonna try
Cause I'll never touch the sky, without you

I've tried it, tried it, I've tried it
I've tried it, I've tried it
I've tried it, tried it, I've tried it
I've tried it, I've tried it
I've tried it, tried it, I've tried it

lâ€™™ ve tried it, lâ€™™ ve tried it
(repeat)

Oh oh I, lâ€™™ m not even gonna try
Cause lâ€™™ ll never touch the sky, without you
Oh oh I, lâ€™™ m not even gonna try
Cause lâ€™™ ll never touch the sky, without you
Oh oh I, lâ€™™ m not even gonna try
Cause lâ€™™ ll never touch the sky, without you
