What you need girl  
What you need  
What you need girl  
What you need  
What you need girl  
What you need  
What you need girl

Listen  
One chance left, to save us  
Free ..Ã¢?Â! , fortune favors  
IÃ¢??m focused  
On my vow  
ItÃ¢??s only you right here right now

I wanna be with you nightly  
DonÃ¢??t take what IÃ¢??m telling you lightly  
Cause I like you  
And you like me  
So letÃ¢??s not play around

DonÃ¢??t you worry about them another girls  
They donÃ¢??t really mean a thing to me, no  
IÃ¢??m just trying to be what you deserve  
IÃ¢??m just trying to live and learn  
So tell me

What you need girl  
What you need  
What you need girl  
What you need  
What you need girl  
What you need  
What you need girl

We should be together  
Edward and Bella  
Be by your side  
Bonny and Clyde  
I give you everything  
Because of who you are  
IÃ¢??ll put you in the spotlight

You're a superstar

Cause I just wanna be with you nightly  
Don't take what I'm telling you lightly  
Cause I like you  
And you like me  
So let's not play around

Don't you worry about them another girls  
They don't really mean a thing to me, no  
I'm just trying to be what you deserve

I'm just trying to live and learn  
So tell me

What you need girl  
What you need  
What you need girl  
What you need  
What you need girl  
What you need  
What you need girl

I'm just trying to tell you baby you're the only  
one who's on me  
We can do whatever that you need call me homie  
We can fly wherever you ain't never been before  
We go to the store buy anything that you want  
Then we can take spree's  
You go down to your knees  
Shopping sprees all over the place  
Baby call me

\*backgroundvoice\*

Don't you worry about them another girls  
They don't really mean a thing to me, no  
I'm just trying to be what you deserve  
I'm just trying to live and learn  
So tell me

What you need girl  
What you need  
What you need girl  
What you need  
What you need girl  
What you need  
What you need girl

Don't you worry about them another girls  
They don't really mean a thing to me, no

I'm just trying to be what you deserve  
I'm just trying to live and learn  
So tell me

What you need girl  
What you need  
What you need girl  
What you need  
What you need girl
