Lately, I got this feeling I don't know what's the meaning But I know it strong, and it's over you All I want right now is to be home with you, Oh oh oh, I'm coming right back Oh oh oh, living without you is no Oh oh oh, I'm coming right back Oh oh oh, I wish you were here I wish you were here The music is better, and lights are brighter when you are near, Am I making me clear, the music is better And right now I just wish you were here. Oh oh oh, right now I just wish you were here. Oh oh oh, right now I just wish you were here. Every night, different city Bright lights should be pretty, but they can't compare no To the light from you. All I want right now is to be home with you, Oh oh oh, I'm coming right back Oh oh oh, living without you is no Oh oh oh, I'm coming right back Oh oh oh, I wish you were here I wish you were here The music is better, and lights are brighter when you are near. Am I making me clear, the music is better And right now I just wish you were here. Oh oh oh, right now I just wish you were here. Oh oh oh, right now I just wish you were here. Oh oh oh, right now I just wish you were here. Oh oh oh, right now I just wish you were here. Oh oh I oh oh I wish you were here Oh oh I oh oh I wish you were here Oh oh I oh oh I wish you were here

Oh oh I oh oh I wish you were here

Oh oh I oh oh I wish you were here

Oh oh I oh oh I wish you were here

Oh oh I oh oh I wish you were here

Oh oh I oh oh I wish you were here

Oh oh oh, I wish you were here I wish you were here The music is better, and lights are brighter when you are near, Am I making me clear, the music is better And right now I just wish you were here. Oh oh oh oh, right now I just wish you were here.
