I can't win, I can't reign  
I will never win this game without you, without you  
I am lost, I am vain,  
I will never be the same without you, without you  
I won't run, I won't fly,  
I will never make it by without you, without you  
I can't rest, I can't fight  
All I need is you and I, without you

Without...

You! you! you! you!  
You! you! you! you!

Can't erase, so I'll take blame  
But I can't accept that we were estranged without you,  
without you  
I can't quit now, this can't be right  
I can't take one more sleepless night without you,  
without you  
I won't soar, I won't climb  
If you're not here I'm paralyzed, without you, without  
you  
I can't look, I'm so blind  
I lost my heart, I lost my mind without you,

Without...

You! you! you! you!  
You! you! you! you!

I am lost, I am vain  
I will never be the same, without you, without you

Without you
