Aye you the finest thing I've seen in a while.  
You've got me stunned by your captivating smile  
You're a hundred percent the girl I want to be with  
Yes it's you, my darling girl it you  
You know my shorty gotta be able to move  
You know my shorty gotta do it like I do  
Let me let me see you move your feet  
Move it move it to the beat girl

Dance with me, you can dance with me and we can do  
it, do it to it.  
You can dougie with me and we can two step you see  
cause it don't matter  
Just do it to it right girl.

If you don't know how to dance then I will teach you  
And if you don't get it I'll take my time with you  
Let me show you that I care and I'll always be right here  
So when I move to the right you move with me  
And when I move my hands you do what you see  
It's easy as one, two, three follow me

Dance with me, you can dance with me and we can do  
it, do it to it.  
You can dougie with me and we can two step you see  
cause it don't matter  
Just do it to it right girl.

Aye, now watch me do it  
Aye, you can do it too  
Let me see you move let me see you move  
Do what you do you can do it too  
It's not every day that I see a girl with such a lovely face  
Who can do it like I do move it move it like I move

Dance with me, you can dance with me and we can do  
it, do it to it.  
You can dougie with me and we can two step you see  
cause it don't matter  
Just do it to it right girl.
