Two, three, four...

Ohhoh... Ohhoh... Taj Munroe...Ohhoh

She said 'What's your name?'
I said 'Miss, I'm chillin'
'What's your name?' I said 'Mr Ch-'
She said, Mr Taken can I have your hand?
Let's dance avoid what's on your mind,
I said, no disrespect I'm here just for me,
But I must've had one too many drinks,
Cuz next thing you know,
It's me on with her,
We out on the floor,
No care in the world

I'm just acting on emotion,
Someone tell me where's my conscience?
And my girl that I adore,
One argument has me so torn
And I'm trippin'

[Chorus:]
So here we are, And this
Me and this other chick goin' real hard, and I
Know I shouldn't do it but I can't stop (Can't stop),
Temperature's rising, getting so hot (So hot),
If my baby knew she'd be so high,
I know I shouldn't do it but I can't stop oh,
Temperature's rising, getting so hot oh,
If my baby knew she'd be so high, so high,

Am I crazy? Man, I ain't supposed to do this to my baby,
In going through, it's no excuse for acting shady
How am I supposed to break this to my lady?
She's my baby

We started to kiss,
Then we started to touch,
Sayin' to myself 'This is really too much,'
How would I look if my girl could see this

One argument got me out and cheating
On the very girl that I tell I lovin'
I can't believe this oh
I'm goin' out of my mind
This time I just crossed the line
And I know this can't be right

[Chorus:]

So here we are, and this,
Me and this other chick goin' real hard, and I,
Know I shouldn't do it but I can't stop (Can't stop),
Temperature's rising, getting so hot,
If my baby knew she'd be so high,
I know I shouldn't do it but I can't stop (Oh),
Temperature's rising, getting so hot (Oh),
If my baby knew she'd be so high, so high,
[Guilty Innocence Lyrics On]
Am I crazy? Man, I ain't supposed to do this to my baby,
In going through (?), it's no excuse for acting shady,
How am I supposed to break this to my lady?
She's my baby

Oh, I never meant to hurt you
Oh, I know there is no excuse
Oh, touching her like I touch you
Oh, I know there is no excuse

Am I crazy?
Me and this other chick goin' real hard
I know I shouldn't do it but I can't stop
Temperature's rising, getting so hot,
If my baby knew she'd be so high,
I know I shouldn't do it but I can't stop,
Temperature's rising, getting so hot,
If my baby knew she'd be so high, she'd be so high,

Am I crazy? Man, I ain't supposed to do this to my baby,
In going through, it's no excuse for acting shady,
How am I supposed to break this to my lady?
She's my baby, Oh

No...no...no... She's my baby no...

(may not be completely right but yeah =])
