(Intro)
Ladies and gentlemen
It's a beautiful night
We gonna turn it up tonight
Yea, it's Taj Munny

(Verse)
Girl, let's get it started
Let's party till we're numb
Keep going till the morning
Until we see the sun
We made it hot in here
And we both love the burn
You let me feel those curves now, baby

(Chorus)
I wanna dance, I wanna fall in love with you
On the dance floor
'Cause baby, you're so beautiful
So tonight, let's live for the moment
Let's live for the moment

(Verse)
Put your drink down, get your ass on the floor
Get your body up, what you're doing alone
Wait a minute, we've been doing you wrong
I just wanna get close to you
The music's going straight to my chest
As I start to fall for you
You're a killer in a red dress

(Chorus)
Now I wanna dance, I wanna fall in love with you
On the dance floor
'Cause baby, you're so beautiful
So tonight, let's live for the moment
Let's live for the moment

(Outro)

I wanna fall in love with you

I wanna dance

I wanna fall in love with you

I wanna dance

I wanna fall in love with you

Just live for the moment
