imploring the skies for an answer
'cause no one on earth here would help
see the soldiers have stolen their laughter
what a murderous hand they've been dealt

but someone planted a seed
weeded and watered with greed
a malignant seed
the janjaweed

imploring the skies for an answer
'cause no one on earth here would tell
how the soldiers have stolen their laughter
a sadness they could not dispel

someone planted a seed
weeded and watered with greed
and after a while sprout broke through
and something grew
the janjaweed

imploring the skies for an answer
'cause no one on earth here would help
the soldiers have stolen their laughter

what a murderous hand
that rules all the land
malignant seed
the janjaweed
the janjaweed

someone planted a seed
weeded and watered with greed
and after a while sprout broke through
something grew
malignant seed
the janjaweed

malignant seed the janjaweed
malignant seed the janjaweed
malignant seed janjaweed
