Was a girl in the rain, no one else could feel her pain
Was a boy all alone, nothing left to call his own
Something came along, secrets of surprise
Force of love was far too strong, saw it in their eyes
They tried and they tried
They tried but they couldn't play it off

Love is contagious when it's alright
Love is contagious
Love is contagious, yeah, it's alright
Love is contagious, yeah, ooh ooh ooh

Now they're standing in the light, got a love that's sure
enough tight
Kind that stops on the street, ain't about being discreet
Our love's a storm in disguise, it's alright
I couldn't keep away if I tried, understand, it's in your
hands
'Cause I tried and I tried
I tried but there ain't no playing it off

Love is contagious when it's alright
Love is contagious
Love is contagious, yeah, it's alright
Love is contagious, yeah yeah

Ooh-ooh ooh-ooh ooh ooh ooh-ooh
Ooh-ooh ooh-ooh ooh ah
Ooh-ooh ooh-ooh ooh-ooh ooh-ooh
Ooh-ooh ooh-ooh ooh ah

I tried and I tried
I tried but there ain't no playing it off

Love is contagious when it's alright
Love is contagious
Love is contagious, yeah, it's alright
Love is contagious, yeah hey

Ooh-ooh ooh-ooh (contagious)
Our love's a storm, you can't deny (contagious)
Ooh ooh ooh-ooh oh oh-oh yeah (contagious)
