### "Dear Father"

Buried him in the cold wet ground  
Familiar faces would have made him proud  
The military and the working man  
The history of the life he led

"Can you feel that soil covering your coffin?"  
Can you feel? [x3]

(So, what are you gonna do?) Be the hero that your  
father was  
(So, what are you gonna do?) Be the man he made you  
to be  
And you are your father's son  
Dear Father, Dear Father  
Be the hero that your father was  
Be the man he made you to be

The war torn stories that he told you  
You've got a hell of a lot to live up to  
An airborne man with a scar and a wound  
"Never make a promise that you can't prove"

Dear Father, Dear Father

(So, what are you gonna do?) Be the hero that your  
father was  
(So, what are you gonna do?) Be the man he made you  
to be  
And you are your father's son  
Dear Father, Dear Father  
Be the hero that your father was  
Be the man he made you to be

"Where are you? Where are you?  
You coward, you coward"  
[x2]
