Do you love me?  
No!!

(Gap)

Born evil giant sinner  
Human spirit lies

No compassion tortured soul

EVANGELION !!

Armageddon day is here  
Living hell has come

Worlds worst nightmare has appeared

EVANGELION !

(Gap)

Throughout time and history  
Everyone has had time to face adversity  
Be it as part of a race, a tribe, a family  
Or as an individual  
The course of action necessary  
To bring about the situation  
Do we fight and flourish?  
Or be pacified and overwhelmed?  
Can good triumph over evil?  
Will we ever really know?
