There are times it feels so right
When I know in my soul it's true
Our emotions always ran so deep
Painted pictures like we've always seen

Someday, someday
We were bound to be as one
Fate would bring our hearts together
Never ever be as one

Again your love is mine
Coast to coast I can't deny
Again your love is mine
Coast to coast I can't deny

Uncertain times and distant moments
You're the ones that I soon forgot
Somewhere out there you've been waiting for sure
Holding your breath to make that bid for more

Someday, someday
We were bound to be as one
Fate would bring our hearts together
Never ever be as one

Again your love is mine
Coast to coast I can't deny
Again your love is mine
Coast to coast I can't deny

You can't deny
Won't your lover need the love tonight?

Your love is mine

Again your love is mine
Coast to coast I can't deny
Again your love is mine
Coast to coast I can't deny

Again your love is mine

Again your love is mine
Again your love is mine
Your love is mine
