It seems that I remember in my younger days
And baby how those years have passed me by? Oh,
yeah, yeah
When in doubt I spent those nights so all alone
Clinging to those endless summer nights, oh yeah,
yeah

Those dreams are for holding on forever
Fading to memories right before my eyes

Young heart's free forever
Just like yesterday
Young heart's free forever
Just like yesterday

Even thought it's over I've been dying to let you know
Baby I won't let you fade away, oh no, no
Even though you know I've been searching for so long
'Cause I'm making perfect time alone, oh yeah, yeah

Those dreams are for holding on forever
Fading to memories right before my eyes

Young heart's free forever
Just like yesterday
Young heart's free forever
Just like yesterday

Young heart's free forever
Just like yesterday
Young heart's free forever
Just like yesterday

Those dreams are for holding on forever
Fading to memories right before my eyes

Young hearts free forever
Just like yesterday
Young hearts free forever
Just like yesterday

Young hearts free forever
Just like yesterday
Young hearts free forever
Just like yesterday

Young hearts free forever
Free forever
Young hearts free forever
Just like yesterday...
