Wasted life now gone to hell
Perfect child was left to dwell
Destined to fight, destined to kill
Infant at birth was born to kill

Which will it be ?
Which will be his prey ?
Who will be the first ?
The first to die

Stalking on his victim
Killing what he pleases
Strive in starvation
Prey on survival's needs
Born to kill

Prodigal life that went to hell
Torment the victims left to dwell
Left to die with no remorse
Born to kill - leave a beautiful corpse

Punish all those victims
Laughing as they die
Putrid smell of agony
Hear the victims cry

Eyes that slowly open

Blood red to seal your fate
Await upcoming terror
Marked red to seal your fate

Punish all those victims
Laughing at them as they die
Putrid smell of agony
Hear the victims cry

Wasted life now gone to hell
Perfect child was left to dwell
Destined to fight, destined to kill
Infant at birth was born to kill

Prodigal child gone to hell
Tormented victims left to dwell
Left to die with no remorse
Born to kill - leave a beautiful corpse
