he went to war at 19 talks about all the places he's
been...saw all his friends drop down to the dust...brags
of his medals now covered in rust...but now he's an old
man drunk and lame..just a used pawn in the war
machine's game the fighting, the killing, what was it for?
the cycle goes on with yet another war

1,2,3 follow me...4,5,6 land of the free 1,2,3 what was
it for...4,5,6 another war!!!

sitting at home now lost in his booze...another statistic
on the evening news..promised to care for him or
that's what they said, suicidal thoughts running through
his head, flips the channel sees the progress of
the war..hobbles to the kitchen and opens a
drawer..presidents voice speaking of the strife...the
last thing
he hears as he takes his own life

1,2,3 follow me...4,5,6 land of the free..1,2,3 what was
it for...4,5,6 another war!!!

....on the brink of yet another war we should learn from
the ghosts of wars past!!!!!!.....

1,2,4 follow us...4,5,6 into the dust 1,2,3 what was it
for...4,5,6 another war!!!

he went to war at 19 talks about all the places he's
