[Music: Adams / Harrington]

[Lyrics: Esquivel]

Beyond recognition
Release me from this grasp
Another perfect nothing
Memories of disrupt from my
past
It's a lie, I know not why

A sin forever within
The darkest side of my mind
I feel it bring me
Down to shelter

Come again this life I feel
I feel a pretense slowly taking
over
In time I seem to dwell and fade
To a source beyond recognition

I sleep through my nightmares
Loneliness I must feel
And when I cry for laughter
My sorrows appeal

So come back again this life I feel
Numb against the pain that felt
so real
Time and time again I say I try to

see
Bring forth the light which is
supposed to be

So come again this life I feel
Numb against the pain so real

In desperate search of reason
Curiosity rules my mind
I'm drowning in confusion
Perfect nothing I know not why

Come again this life I feel
Once again I feel a presence
taking over
In time I seem to dwell and fade
To a source beyond recognition

A sin forever within
The darkest side of my mind
I feel it bring me down to shelter
It's a lie, I know not why
