Trapped inside four walls of fear  
Distant signs of pain growing near  
Love the torture, love the pain  
Endless torture driving you insane

Take the time to look  
Look into the future of mankind  
See the lives that it took  
Set to rest, see illusions of life

Illusions, disillusion of life  
Never heard your cries - disillusion of life  
Illusions, disillusion of life  
Never heard your cries - disillusion of life

See yourself, see illusions  
Which appear in the mirror  
Only time can tell you  
What to expect of your future growing near

Take the time to see  
Take the time to conceive this world  
Don't be confined of what will be

Or trapped inside four walls of fear

Illusions, disillusion of life  
Never heard your cries - disillusion of life  
Illusions, disillusion of life  
Never heard your cries - disillusion of life

Can you see tomorrow ?  
Does your future tell you lies ?  
Seeing signs of sorrow  
Deep within, no one hears your cries

Trapped inside

Silent Cries
