We used to fight for nights like this

Do you know all that you've missed?

In your bed alone, between your sheets of pride

Don't hold your breath

Unless you plan to suffocate

I swear I won't depress you

With my shattered views

About all that I despise in you

Cause I'm not dead

I'm just sleeping in

Not dead

I'm just sleeping in past Monday

I swear I'll rise again

So write me off

As the boy who never loved

I'll let your letters paper cut me

Until I bleed enough to give a damn

About you going down

In this dead-end little town

But I'm wasting words on you

Instead of tearing your pages out

Cause I'm not dead

I'm just sleeping in

Not dead

I'm just sleeping in past Monday
