Oh, yeah  
Oh, yeah

Put your head against my life  
What do you hear?  
A million words just trying to make  
The love song of the year

Close your eyes but don't forget  
What you have heard  
A man who's trying to say three words  
The words that make me scared

A million love songs later  
Here I am trying to tell you that I care  
Million love songs later  
Here I am, here I am  
Million love songs later  
Here I am

Looking to the future now

This is what I see  
A million chances pass me by  
A million chances to hold you

Take me back, take me back  
To where I used to be  
And hide away from all my truth  
Through the light I see

A million love songs later  
And here I am trying to tell you that I care  
Million love songs later  
Here I am, just for you girl  
Million love songs later  
Here I am

I feel it for you baby, I feel it for you baby  
Million love songs later  
And here I, here I am
