Broken, broken
(Heart)
Broken, broken
(Heart)
Broken, broken

Broken your heart

It's good to be near you, even though I'm alone
Reviving memories of our happy home
No sign of sunlight since you ran away
These rooms get darker now every day

Even though I have broken
Even though I have broken
Even though I have broken your heart

Will you still love me?
Will you still love me?
Even though I have broken your heart

The consequences of freedom
But now you have what you dreamed
Just understand that things are not as they seem

Even though I have broken
Even though I have broken
Even though I have broken your heart

Will you still love me?
Will you still love me?
Even though I have broken your heart

I don't wanna be lonely
Because you're not there for me to be
I don't wanna be lonely
I wanna be loved

Even though I have broken
Even though I have broken
Even though I have broken your heart

Will you still love me?
Will you still love me?
Though I have broken your
Though I have broken your heart

Will you still love me?
Will you still love me?
Even though I have broken your heart
