Only one way to describe, this is deceit I am hiding
Never been here before, never wanna be here again
I've strayed from a long term lover
And found greated lust from another
My conscience is keeping me awake and shouting at
me all night

So I'll tell her the day after tomorrow, maybe today
So I'll tell her the day after tomorrow, or is that too late

Being loved is a big responsibility
You can never give too much back
you know it's so easy to walk away and leave that lady
flat
My life's feeling crowded with possessions, am I lucky
or sad
Is it time to turn away and lose everything I had

Moving in circles, decisions chasing me round and
round
Why's life never easy, or do we make it hard for
ourselves
And when we find love we need to look for something
new
'Cos when it's all over you always feel the need to be
loved
Like she used to love you

So I'll tell her the day after tomorrow, maybe today
So I'll tell her the day after tomorrow, or is that too late
