You've got to hold me, and control my dreams
I want you to fulfill my needs, I feel it babe
Something good is gonna happen
I can't believe in this world I see
I reach out to you, set me free from these chains
I'm holding on, trying hard
Just so you know I'm here waiting for you to

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free
In a world where we fly, fly, fly

Don't let me go, I will be your prisoner
Hold me down and I will give you my reasons for
Loving you, needing you, can't do without ya
If you think I'm crazy for loving you baby
Then I will show you the way that I feel
I'm holding on, trying hard
Just so you know I'm here waiting for you to

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free
In a world where we fly, fly, fly

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free
In a world where we fly, fly, fly

Come on lets fly
Come on lets fly
Come on lets fly
Come on lets fly

If you think I'm crazy for loving you baby
Then I will show you the way that I feel

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free

In a world where we fly, fly, fly

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free
In a world where we fly, fly, fly

Let me fly
