Hanging on, hanging on, hanging on, hanging on
Hanging on, hanging onto your love
Hanging on, hanging on, hanging onto your love
Hanging on, hanging on, hanging onto your love
Hanging onto your love, I need it

Can we talk, through out the night?
I need you so bad, oh, so bad
And when we talk, can you understand my feelings?
And understand, it hurts to be without you

Never prepared, never know what's going wrong
I'm losing, though I always thought this love was so
strong
So alone, so lost in the dark
So sad, 'cause you will always have a place in my heart

Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
You got me hanging onto your love, I need it

Let's take a walk and reminisce
About the feelings we used to feel, oh, baby
Just stay the word and I'll be back for good, my baby
I'll be back to give you, girl, what you deserve

Did I say too much, did I try to rule your life?
Did the love we had between us miss the road to
paradise?
Can we try again, can we chance it one more time?
Can the ecstasy we found here be reclaimed as yours
and mine?

Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
You got me hanging onto your love, I need it

Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love

You got me hanging onto your love, I need it

But did I say too much, did I try to rule your life?
Did the love we had between us miss the road to
paradise?

Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love
You got me hanging onto your love, I need it

Hanging on, hanging on, hanging on, hanging on
Hanging on, hanging on, hanging on, hanging on,
hanging on
Hanging on hanging onto your love, I need it
Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love, I need
it

Hanging onto your love, hanging onto your love
Hanging onto your love, hanging onto your love, I need
it
Hanging onto your love
