And when you rise in the morning sun  
I feel you touch my hand  
In the pouring rain  
And the moment you wander far from me  
I wanna feel you  
In my arms again  
And you come to me  
On a summer breeze  
Keep me warm in your love  
Then you softly leave  
And it's me you need to show  
Chorus:  
How deep is your love  
How deep is your love  
I really need to know  
'Cause we're living in a world of fools  
Breaking us down  
When they all should let us be  
We belong to you and me  
I believe in you  
You know you're the door  
To my barest soul  
You're the light

In my deepest darkest hour  
You're my saviour when I fall  
And you may not think  
That I care for you  
When you know down inside  
That I really do  
And it's me you need to show  
Chorus  
You're the light  
You're my light  
And you may not think  
That I care for you  
When you know down inside  
That I really do  
And it's me you need to show  
How deep is your love  
Chorus:  
How deep is your love

So how deep is your love  
How deep is your love
