We've been in many times before  
Leavin' rooms and slammin' doors  
We're climbin' up the bedroom walls  
Sometimes we make it so frustratin'

I touch your mouth, I touch your lips  
The answers at our fingertips  
Not giving up or giving in  
Why are we so complicated?

Oh, tell me what to say, tell me  
To make it all ok, yeah

I don't wanna see you hurtin'  
Just hold on, just hold on to me  
I don't wanna see you cryin'  
So hold on, so hold on to me, to me, hold on to me

I'm tryin' to think of what to do  
To really make it up to you  
So many truths, too many lies  
Makin' love can be so crazy

I find myself back here again  
Askin' you to let me in  
You know it's time, we need to change  
How can we live with all these maybes

There are no words that say, no words  
To make it go away

I don't wanna see you hurtin'  
Just hold on, just hold on to me  
I don't wanna see you cryin'  
So hold on, so hold on to me

'Cause baby it's alright  
I'm stayin' here tonight  
So hold on, so hold on  
So hold on, hold on

Just tell me what to say

To let you know I'll always stay

I don't wanna see you hurtin'  
Just hold on, just hold on to me  
I don't wanna see you cryin'  
So hold, so hold on to me

I don't wanna see you hurtin'  
Just hold on, just hold on to me  
I don't wanna see you cryin'  
So hold, hold on
