Deceit and lies is all I've taken
Let me surface to breath
No sacrifice, no inspiration
Can you understand me?

Why should I ask you?
Why should I worry?
You never worry about me

Why should I ned you?
Why don't I let you go?
And let my heartaches run free

I thought, I knew the meaning of love
Now I'm asking you, why? Meaning of love
I thought, I knew the meaning of love
Now open wide

Meaning of love, meaning of love
Meaning of love
I thought, I knew you, girl
I thought, I knew you
I thought, I knew you
I thought, I knew you

What's on my mind, so many questions
Though the answers, I can guess
You slip away shelter from confrontation
Look my life is such a mess

Why should I ask you?
Why should I worry?
You never worry about me

Why should I ned you?
Why don't I let you go?
And let my heartaches run free

I thought, I knew the meaning of love
Now I'm asking you, why? Meaning of love
I thought, I knew the meaning of love
Now open wide

Meaning of love, meaning of love
You know the meaning of love
I thought, I knew you, girl
I thought, I knew you
I thought, I knew you
I thought, I knew you

I thought, I knew you
I thought, I knew you, girl
I thought, I knew you
I thought, I knew you

I thought, I knew the meaning of love
Now I'm asking you, why? Meaning of love
I thought, I knew the meaning of love
Now open wide
I thought, I knew you

Meaning of love, ooh yeah
I should have ask you girl, meaning of love
Now open wide, you know the meaning of love
