

Take That "Never Forget"

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more

We've come a long way
But we're not too sure where we've been
We've had success, we've had good times
But remember this

Been on this path of life for so long
Feel I've walked a thousand miles
Sometimes strolled hand in hand with love
Everybody's been there

With danger on my mind I would stand on the line of
hope
And I knew I could make it
Once I knew the boundaries I looked into the clouds
and saw
My face in the moonlight

Just then I realized what a fool I could be
Just 'cause I look so high you don't have to see me
Finding a paradise wasn't easy but still
There's a road going down the other side of this hill

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Safe from the arms of dissapointment for so long
Feel each day we've come too far
Yet each day seems to make much more
Sure is good to be here

I understand the meaning of 'I can't explain this
feeling' now
And it feels so unreal
At night I see the hand that reminds me of the stand
that I made
The fact of reality

Never forget where you're coming from

Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
But remember this

We're not invincible, we're not invincible, no
We're only people, we're only people
Hey we're not invincible, we're not invincible
So again I tell you

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, never forget where
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, everybody sing, oh baby
Never, no never, never forget for love
Someday, louder, louder, louder, louder loud

Never, everybody sing that song
Never, yeah louder, louder, loud now
Someday, come on, come on, everybody, everybody
Everybody, everybody, everybody

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
