Lying here beside you
In a cloud of warmth
I've been awake all night but can't move
Though I know I should

Counting curls in your hair
As you sleep so tight
Wonder if you'll ever know how
You stimulate my life

I don't know where I'm gonna be going babe
Never know until I go
The chances are you'll be there too some day
Never know, let's hope

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let you go

Dreaming soft in silence
Been working hard all day
Still the night grows darker
With you now, in every way

I don't know where I'm gonna be going babe
Never know until I go
The chances are you'll be there too some day
Never know, let's hope

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let you go

Never wanna let you go

I can't see, I can't think
I can't stop going out now
I can't see, I can't think
I can't stop going out now

I don't know whether I'm trying to love you baby
Been 'round long enough to know
The chances are you'll be there too some day
Never know, come on let's hope

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let you go

I can't see, I can't think
I can't stop going out now
I can't see, I can't think
I can't stop going out now
Dreamin' of you baby

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let you go

I can't see, I can't think
I can't stop going out now
I can't think
I can't stop going out now
