(Love. Once you've tasted love) [x 4]

Don't be sold a dream. Remember how the past has
been
Don't be led to believe thias one's for you
Calculate your needs. I see there's room to plant your
seeds
Don't decide till you see how the others have grown

Once you've tasted love it is just the beggining of a
new world
Once you've tasted love there's no way you can give in
Once you've tasted love

Still too early to know. Give them time and they will
grow
Don't believe that the first's the one for you
Most will grow to be tall, others will break and fall
Keep your eye on the strongest head of them all

Once you've tasted love it is just the beggining of a
new world
Once you've tasted love it is just the beggining
Your head is spinning

Once you've tasted love

Once you've tasted love it is just the beggining of a
new world
Once you've tasted love there's no way you can give in
Can't control your mind and your head is still spinning
Once you've tasted love is just the beggining
Once you've tasted love

Once you've tasted love, you know is good
Come taste my love
You know you should

[RAP:]

Came into my world and the badness dissapeared
Take my hand, don't be afraid, I'm gonna work off all
your fears

It feels so nice to be with you. Us two, we feel like a
glove
When I see your eyes I realise you too have tasted love

Once you've tasted love, you know it's good
Come taste my love
You know you should
