When the time grew near, for me to show my love
The longer I stayed away for, hidin' from a word
I need to hear now, don't think I'll hear it again

But the nights were always warm with you
Holding you right by my side
But the mornin' always comes too soon
Before I even close my eyes

All I do each night is pray
Hopin' that, I'll be a part of you again someday
All I do each night is think, of all the times
I close the door to keep my love within

If you can't forgive the past, I'll understand that
Can't understand why I did this to you
And all of the days and the nights, oh I'll regret it
I never showed you my love

But the nights were always warm with you
Holding you right by my side
But the mornin' always comes too soon
Before I even close my eyes

All I do each night is pray
Hopin' that, I'll be a part of you again someday
All I do each night is think, of all the times
I close the door to keep my love within

Surely we must be in sight, of the dream we long to live
If you stop and close your eyes, you'll picture me inside
I'm so cold and all alone
Straight on back to me

All I do each night is pray
Hopin' that I'll be a part of you again someday
All I do each night is think, of all the times
I close the door to keep my love within

All I do each night is pray
Hopin' that I'll be a part of you again someday
All I do each night is think, of all the times

I close the door to keep my love within
All I do each night is pray
Hopin' that I'll be a part of you again someday
