[Incomprehensible]

Only one way to describe, this is deceit I am hiding
Never been here before, never wanna see here again
I've strayed from a long term lover and found greater
lust from another
My conscience is keeping me awake and shouting at
me all night

So I'll tell her the day after tomorrow, maybe today
I'll tell her the day after tomorrow, or is that too late?

Being loved is a big responsibility, you can never give
too much back
You know, it's so easy to walk away and leave that little
lady flat
My life's feeling crowded with possessions, am I lucky
or sad?
Is it time now, to turn away or lose everything I've ever
had?

So I'll tell her the day after tomorrow, maybe today
I'll tell her the day after tomorrow, or is that too late?

Moving in circles, decisions chasing round and round
Is life ever easy, or do we make it hard for ourselves?
And when we find love, we need to look for something
new
'Cos when it's all over, you always feel the need to be
loved
That she'd always loved you

So I'll tell her the day after tomorrow, maybe today
I'll tell her the day after tomorrow, or is that too late?
Maybe today, maybe today, maybe today, maybe
today
Is that too late for you? Is it too late to tell her? Too late
