Yeah oh baby
Oh girl, oh lady
Come to me, come to me

Oh I can't decide if I should read or think
I'll keep an open mind, till the day sets in
Hear you call me, I'm so willing to call back
Hear you thinking, hope you hear me thinking too

Why can't I wake up with you?
So you're there when I open my eyes
Baby why can't I wake up with you?
You're my life

I feel alive, so I'll just begin
Yeah to read my mind, before you ring me
Hear you thinking, hope you hear me thinking too

Why can't I wake up with you?
So you're there when I open my eyes
Baby why can't I wake up with you?
You're my life

You're my life
You are my life
You're my life

So good to be near you
So dark when you walk from my side
Baby why can't I wake up with you?
You're my life
Hear you thinking yeah, hope you hear me thinking too

Why can't I wake up with you?
You're there when I open my eyes
Why can't I wake up with you?
You're my life

Why can't I wake up with you?
You're there when I open my eyes
Why can't I wake up with you?
