A little boy me went fishing in a wooden boat
Sitting there for hours in the cold
Patience is a virtue til we die
Then a ripple in the water caught my eye.

Sometimes we don't know what we're waiting for
That's the time to be the first one on the dance floor
We go from green to blue to go to black
Breathe deep, who knows how long will this last.

Only was last week I learnt to drive
Stole my mother's keys and drove all night
Christine never showed it's 4 am
Started up mum's car drove home again.

Sometimes we don't know what we're waiting for
That's the time to be the first one on the dance floor
We go from green to blue to go to black
Breathe deep, who knows how long will this last.

One year ago I kissed my bride
Now I wait to hear my baby's cry
Woman showed me all that she knew then
To cut himself down man's born again.

Sometimes we don't know what we're waiting for
That's the time to be the first one on the dance floor
We go from green to blue to go to black
Breathe deep, who knows how long will this last.

Christine died and now I'm here alone
What I wouldn't give to be on that wooden boat.

Oooooooooo Yeah.....

For Once In My Life
I Couldnt Deny
I Thought That I Found My Everything
Lover Or Friends
The Hours We'd Spend
Just doing Nothing At All, Yeah
But Your Need To Me,

Is Youres Alone,

Break Free, Let Go

Butterfly, Fly Fly, Fly Away, From Here
You Know We Try, Try,
Through The Laughter And The Tears,
Youll Always Be A Part Of Me,
And In My Heart You'll Always Be,
Butterfly, Fly, Fly Away.. Fly Away

Deep In Your Eyes
Instead All I Find

All That I Really Ever Need
Whatever I Do You Know Thats ITs You Girl,
In Every Face I See Yeah
But Your Last Goodbye, Was Youres Alone

Break Free, Let Go

Butterfly, Fly Fly, Fly Away, From Here
You Know We Try, Try,
Through The Laughter And The Tears,
Youll Always Be A Part Of Me,
And In My Heart You'll Always Be,
Butterfly, Fly, Fly Away.. Fly Away

Through The Place, You Belong
Hope You Hear The Feeling Strong
All That You Can Feel The Feeling In Your Life
In Your Life

Ah Sweet Butterfly,

Just Fly Away

Just Fly Away

You Know We Try, Try,
Through The Laughter And The Tears,
Youll Always Be A Part Of Me,
And In My Heart You'll Always Be,
Butterfly, Fly, Fly Away.. Oh Fly Away

Flyy

Oooo Yeah

For Once In My Life
I Couldnt Deny

I Thought That I Found My Everything
Lover Or Friends
The Hours We'd Spend
Just doing Nothing At All

For Once In My Life
I Couldnt Deny
I Thought That I Found My Everything

For Once In My Life
I Couldnt Deny
I Thought That I Found My Everything

Fly..

I Thought That I Found My Everything

I Thought That I Found My Everything
