It's not a spark that gives me light  
It's not the days  
I'm up all night  
It isn't a story i have read  
Or a picture in my head

It's not the world that pulls me through  
It wasn't a question before i knew  
Was just an answer here by my side  
I found it out, just in time

Chorus:

It's you ooooooh ooooooh yeah  
It's you ooooooh ooooooh  
It's you

Give me your hurt, if you're feeling pain  
Tell me your secrets, I'll keep them safe

Give me your love mixed up with sin  
In every part of everything

Chorus:

It's you ooooooh ooooooh oh yeah  
It's you ooooooh ooooooh  
It's you

From now 'til the end  
From now 'til the end  
From now 'til the end my friend

It's a moment of glory  
My one and only

Chorus

It's you ooooooh ooooooh oh yeah  
It's you ooooooh ooooooh (x4)

It's you,  
It's you,  
Just you,  
It's you,yeah (x3)
