Out of breath,  
Whispering a letdown  
Moving smile  
Signaling a turnaround  
Candid shot  
A face to launch a thousand pieces of a dream...

Say, say I'm the only one  
Kiss the ground where I fall  
Call the lust before we turn to dust  
In your sexy confrontation  
Say, stay...  
Until we're lost again

Color the grey,  
The lights turn low  
And a pill gives us the feeling  
Hands to the sky  
We're gods tonight  
A million songs to listen to  
Thank the letters  
I thank you  
We're gods tonight  
I finally see myself in the blue

Say, say I'm the only one  
Kiss the ground where I fall  
Call the lust before we turn to dust  
In your sexy confrontation  
Say, stay...  
Until we're lost again

Seek and find  
Endings of a new kind  
Different place  
Different time

Seek and find  
Endings of a new kind  
Different place  
Different time
