Lyrics: Lars

Pushing me further
When will I fall?

Seduce me, oppress me
With your lies, your destructive lies
Tell me I am not good enough
Call to my weak sides / give in to your will

Pushing me towards a life of desperation
A life founded on materialistic pleasure

Materialism
How I hate you!
Consequence
Of abusing human weakness

A fragile technology is our god
In whom we completely trust
While suspicious onto each other
Failure of humanity!

Tempting me to trust in a shallow state of mind
To rely in objects made by men that are driven by
greed!

The twelve-year-old girl fooled to dress up
In a way that denotes a perverted
Sexuality / childhood stolen by profit-seekers

They could not care less about the twisted minds
They are creating!

Exploitation
How I hate you!
Materialism
How I hate you!

Consequence

Of abusing human weakness
