Tell me the reason, tell me you're sorry, and tell me
you're lost
Head to the water, head to the fire, head to the rocks
You're haunting me, it feels alive when you're on
In the city, in your castle, in your love
Well Im easy, I'm gone
Well Im easy, I'm gone
Well Im easy, I'm gone
Well Im easy, I'm gone
Hold my head up, hold my head up, is it love
My desire, can you feed me, twist and turn
You're haunting me, it feels alive when you're on
In the city, in your castle, in your love
Well Im easy, I'm gone
Well Im easy, I'm gone
Well Im easy, I'm gone
Well Im easy, I'm gone
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
Help, Help
My desire Im feeling tired
When the lights up you're on your own
Cant stay now you're with a liar
Well Im easy and Im gone
Well Im easy
Well Im easy
Well Im easy
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon
I sit and wait
I will not ever pardon

Well Im easy
Well Im easy
Well Im easy
Well Im easy, I'm gone
