I was broken and alone, I wanna rest my bones  
The sun is shining now, but still I?m feeling cold...

I was broken and alone, I wanna rest my bones  
The sun is shining now, but still I?m feeling cold

I had a demon in my head, I don?t know what I?m  
saying  
I?m so sorry for the stories that I?ve told

Nothing is for real, and You know it  
I?m just gonna let it out, I?m just gonna let it out...

I?m having nightmares all the time, for reasons I  
couldn?t find  
It?s getting darker now, but, I wont close my eyes

Nothing is for real, and You know it, You know it  
I?m just gonna let it out, I?m just gonna let it out...

Oh Yeaaaaaah

Since now, I?m gonna make it alone  
Don?t cry, I wanna be on my own  
It?s brighter now, I will make it on my own

I was broken and alone, I wanna rest my bones  
The sun is shining now, but still I?m feeling cold...

Yeah, Oh yeah Oh yeah Oh yeaaaaaaaaah

Since now, I?m gonna make it alone  
Don?t cry, I wanna be on my own  
It?s brighter now, I will make it on my own
