Right from the first you could have been mine
But I fooled around and took too much time
Even though I knew that I had so much to say
My voice wouldn't say it, so you walked away

CHORUS:

I wanted to tell you I love you
I just couldn't do it somehow
I wanted to tell you I love you
But it's too late, yes, it's too late now
I should've said the feelin's I had
Then I could stop from hurtin' so bad
Now I see you've found yourself a brand new romance
And you'll never know how bad I want one more chance

(Repeat chorus)
