I the only one who can love you
like you want to be loved tonight
I'm the only one who can make it
just the way it should be
I'm the only one who can love you tonight
And you're the only one, only one for me

You think that it's time to be leaving
but you're wrong
'Cause I know that you're gonna be grievin'
before long
When you're all alone, you'll be sorry
that you're causing a break-up
Girl, call me on the phone
and you'll really have a reason to make-up
(Repeat Chorus)

You think I'm rockin' and rollin'
that we're through
But I domy comin' and goin' just for you
yeah for you
And when the works get done
I'll be happy just to beg you for pleasin'
If you wonder why, I'll be glad, girl, to give you the
reason

(Repeat chorus)
