(Taking my life)
(Step on my pride)

I'm dying, trying to figure it out
The reason for me to give
Sometimes I'm closer to the answer than this
And I can't stand not knowing it

Answer all my questions now
I can't stand an other lie

I'm dying, just trying to figure it out
Just what the hell I'm doing here
Your leeches are crawling right under my skin
The end for me is not with you

Answer all my questions now
I can't stand an other lie

(Taking my life)
Why can't I...
(Ruin my soul)
... hide from you?
(Step on my pride)
You're pulling me down

(Taking my time)
Poisoned eyes
(Tear out my heart)
You got them too
(Killing my mind)
I think it's your Dirty Hollow Crown

Answer all my questions now
I can't stand an other lie

(Taking my life)
Why can't I...
(Ruin my soul)
... hide from you?
(Step on my pride)
You're pulling me down

(Taking my time)
Poisoned eyes
(Tear out my heart)
You got them too
(Killing my mind)
I think it's your Dirty Hollow Crown

(Taking my life)
Why can't I...
(Ruin my soul)
... hide from you?
(Step on my pride)
You're pulling me down

(Taking my time)
Poisoned eyes
(Tear out my heart)
You got them too
(Killing my mind)
I think it's your Dirty Hollow Crown
