I'm falling down on you, where are you from
What else can I do, you're so beautiful how can I go on
If I loose it all, would you go down on me
I don't even know, the things you want me to see
Waiting for you
Thinking of you
Give into me, I'll make you blue
I wanna know if you feel the same
Youre mine, I'm ridin high like an aero plane
I wanna give you what you need,
But I don't dare to ask
I got no self-esteem,
I don't blame my past
Waiting for you
Thinking of you
Give into me, I'll make you blue
I wanna know if you feel the same
Youre mine, I'm ridin high like an aero plane x4
Ridin high,
Ridin high,
Ridin high,
Ridin high,
Ridin high,
Ridin high,
Ridin high,
Ridin high, yeah.
