My heart is pounding,
The blood is streaming,
My friends
And I can't be whole again,
I can't be whole again,
I'm sorry

The poison's inside now
The soul's not aching,
I'm scared
Cause I will not love again,
I will not love again,
It kills me inside,
It kills me inside

You have a credulous mind, it's not a halo
Showing it in front of your eyes
I have a devil inside, he can't say no
Put me to sleep, no more lies, it's over

The river runs red now,
My friends
And it will turn red again,
It will turn red again
Open your eyes,
Open your eyes

You have a credulous mind, it's not a halo
Showing it in front of your eyes
I have a devil inside, he can't say no
Put me to sleep and bury the lies

The bond is wasted, your trust will fall
My journey starts when the grim reaper calls
Goodbye to you,
Goodbye to you,
Goodbye to you
It's over now

You have a credulous, mind it's not a halo
Showing in front of your eyes
I have a devil inside, he can't say no

Put me to sleep and bury the lies, it's over

There is no Halo
There is no halo,
My friends
