So I say "forget it" while you reach, reach for the
shotgun
you did it simple, but not close
You did on purpose
you serve a purpose on your own
and it was somethin' like a movie's porn
and you both all drop your keys to the ignition
Squirm and lock,
'cause you don't turn that way

Chorus

I make it
out like a(n)
accident all because it's true
I make it
out like a(n)
accident all because it's true

/Chorus

Extension

I make it (I'll make it...)
out like a (Right from wrong and...)
accident all because it's true
I make it (I'll make it...)
out like a (right from wrong and...)
accident all because it's true

/Extension

I make it out like it's an accident
there's a fine line--blue's and purple
and I missplac'd them
from my eyelids: (they're) commin' out your stereo
I'm runnin' circles on this town
it makes you, oh, so nervous
I'm a crash-course in de-sper-ation

Chorus

/Chorus

Extension

/Extension

Break down up apon it
let it get to you a closer way
Take time up apon it
(Turn it down while I hold this drama)
(Turn it down while)

you were on time
I wasn't on and
there were keys that
made me stronger
What did you learn from a month of me?
this?
it's only this:
it's only this:
it's only this:
Chorus
/Chorus
