"In The Water"

Offer flesh and bones this time
Taste that blood before you cry
Feel the pressure keep it tight
Soon it's over time to fly

It's in the water, it's in the air now
It's in your veins you hope to die
Bring in the hollow making them so strong
A new life begins tonight

A vague age begins to dry
Lean them forward now you're mine
Total fortune is in hand
Let yourself go here I stand

It's in the water, it's in the air now
It's in your veins you hope to die
Bring in the hollow making them so strong
A new life begins tonight

It's what you feel
All over now
It's what you feel
It's what you feel
All over now
It's what you feel
Can you feel it?

(It's) It's what you feel [x3]

It's what you feel
All over now
It's what you feel
Can you feel it?

It's what you feel
All over now
It's what you feel
It's what you feel

It's what you feel

All over now
It's what you feel
