I know the days,
The days when I fall,
I been down but I'm seeking

It seems like you're there,
To carry me home
All the way home

Go troubles away,
It's not enough
Hold me now cause I'm dreaming

When everything goes by,
Will you help me love? [x5]

Come as you are,
And tell me it straight,
You're in tears but I need it

I found a sin of my own,
Will you help me love? [x5]

Ah, when I runaway
I feel that Way again
Come time
When I find a way
To take this pain away

Come On!

Ah, when I runaway
I feel that Way again
Come time
When I find a way
To take this pain away

Ah, When I runaway
I feel that Way again
Come time
When I find a way
To take this pain away
